WESTFALIA BIKELANDER LED:

Towball Mounted Tilting 2 Bicycle Carrier

To get your journey off to a great start Westfalia-Automotive designed its Bikelander Cycle Carrier with your needs firmly in mind. The Bikelander is easy to mount onto the towbar (no tools are required), is extremely compact and ultra-safe. It can also extend to hold an additional third bike.

MORE INFORMATION

- - Towbar mounted cycle carrier for 2 cycles, expansion rail available increasing the Bikelander's capacity to 3 cycles
- - Folds down when not in use for easy storage
- - Payload of 60kg making it ideal for heavy electric cycles, with a wheelbase of up to 1300mm
- - Maximum tyre diameter size is 60mm
- - Vertical loading so there is no strain on your back
- - LED lights that are longer lasting and easy to replace
- - Adjustable wheel holders ensure perfect grip on any bike
- - Thick rubber pads on the wheel holders protect the frame of the cycle
- - Fold down mechanism facilitates free access to the boot even when loaded
- - Cycle carrier and all cycles can be locked individually with just one key, offering protection against theft
- - Expansion rail available increasing the Bikelander's capacity to 3 cycles
- - If you're after additional storage space the Westfalia-Automotive Box or Platform can be added
- - Weight: 17kg
- - 5 year warranty
